## **CONTINUING CONNECTED TRANSACTIONS COOPERATION FRAMEWORK AGREEMENT**

On 24 April 2013, the Company entered into the Cooperation Framework Agreement with Xiaomi pursuant to which the Group will provide cloud services and promotion services to Xiaomi Group, and the Group will jointly operate games with Xiaomi Group.

Xiaomi is an associate of Mr. Jun LEI, a Director and substantial shareholder of the Company, and Xiaomi is accordingly a connected person of the Company pursuant to Chapter 14A of the Listing Rules. Therefore, the transactions conducted in accordance with the Cooperation Framework Agreement constitute continuing connected transactions for the Company under the Listing Rules. The Cooperation Framework Agreement is only subject to the reporting and announcement requirements but exempted from independent shareholders' approval.

## **BACKGROUND**

On 24 April 2013, the Company entered into the Cooperation Framework Agreement with Xiaomi pursuant to which the Group will provide cloud services and promotion services to Xiaomi Group, and the Group will jointly operate games with Xiaomi Group. Details of the Cooperation Framework Agreement are set out below.

## **COOPERATION FRAMEWORK AGREEMENT**

### **Date**

24 April 2013

### **Parties**

- (1) The Company; and
- (2) Xiaomi

## **Major terms**

Pursuant to the Cooperation Framework Agreement, (i) the Group will provide cloud services, including but not limited to cloud storage services and file hosting services, to Xiaomi Group in return for service fees; (ii) the Group will jointly operate with Xiaomi Group the games provided by the Group, including but not limited to the maintenance of network system and games operating platform and provision of game contents; and (iii) the Group will provide promotion services via its products and websites for the sale of Xiaomi's smart cell phones and related products in return for service fees.

The Group and Xiaomi Group will enter into individual agreements from time to time to set out the detailed terms of the provision of the above services which shall comply with all the terms and conditions of the Cooperation Framework Agreement, including but not limited to the pricing basis and annual transaction amounts.

The prices for the services above will be based on:

- (i) the prevailing fair market pricing practiced and pricing policy of independent third parties among industry participants for similar transactions; or
- (ii) the actual cost incurred thereof plus a reasonable profit margin, such profit margin will be made reference to the profit margin of products with similar nature/function in historical transactions of the Group conducted with independent third parties.

The payments should be settled with reference to the similar payment terms of the respective transactions' practice among industry participants during the transaction period.

## **HISTORICAL AMOUNTS AND ANNUAL CAPS OF TRANSACTIONS**

The following table sets out the scope of services, the historical amounts (if any) for the year ended 31 December 2012 and for the three months ended 31 March 2013, and the proposed annual caps of the transactions contemplated under the Cooperation Framework Agreement for the two years ending 31 December 2013 and 2014.

Services	Historical amount for the year ended 31 December  (RMB'000)	months ended 31 March  (RMB'000)	Historical amount for the three months ended 31 March  (RMB'000)		Annual Cap for the year ending 31 December  2013  (RMB'000)	2014  (RMB'000)
			2012	2013		
Provision of cloud services	823	558	823	558	4,800	14,000
Joint operation of games	N/A	6		6	2,000	4,000
Promotion of Xiaomi smart cell phones and related products	N/A	164		164	2,000	3,500

The annual caps for the cloud services are estimated with reference to (i) the rapid growth in the usage of cloud storage and volume of data transfer in the first three months of 2013 compared with 2012; (ii) the expected demand of Xiaomi smart cell phones; and (iii) the expected market opportunities in the second half of 2013 and 2014, taking into account the rapidly increased demand in accessing synchronized data storage from multiple terminals such as PC and mobile devices, the widespread of the use of handheld devices and increased demand from corporations for secure corporate data storage service with easier and more flexible access. The annual caps for the game operation are estimated with reference to the historical transaction amount in the first three months of 2013 and the expected growth in game revenue contributed from mobile device users in the second half of 2013 and 2014 due to the demand of Xiaomi smart cell phones and rapid growth rate in the number of smart cell phone users and the trend of users spending more time playing games on smart cell phones. The annual caps for the promotion of Xiaomi smart cell phones are estimated with reference to the expected demand of Xiaomi smart cell phones, and the rapid growth in the number of users and market share of the Group's products and websites.

## REASONS AND BENEFITS OF THE AGREEMENT

The Group has been proactively looking for new opportunities in the areas of Internet based software development, provision of services, and distribution of games in an effort to broaden its income sources and obtain greater market share. Xiaomi Group has long been a cooperation partner of the Group in business operation and development, especially in the realm of mobile application. Riding on the reputation and widening acceptance of Xiaomi's series of smart cell phones, which boast advanced specifications and competitive pricing, the Directors believe that by entering into the Cooperation Framework Agreement, the Group not only will benefit from extra revenue from the services rendered to Xiaomi Group, but also reach more mobile device users and provide to them with the Group's extensive online services and products.

The Directors (including the independent non-executive Directors) are of the view that the Cooperation Framework Agreement was entered into between the Company and Xiaomi in the ordinary and usual course of business of the Group, and the terms of the Cooperation Framework Agreement are fair and reasonable and in the interests of the Company and its Shareholders as a whole.

## **IMPLICATIONS UNDER THE LISTING RULES**

Xiaomi is an associate of Mr. Jun LEI, a Director and substantial shareholder of the Company, and Xiaomi is accordingly a connected person of the Company pursuant to Chapter 14A of the Listing Rules. Therefore, the transactions conducted in accordance with the Cooperation Framework Agreement constitute continuing connected transactions for the Company under the Listing Rules.

As the highest of the applicable percentage ratios (as defined in the Listing Rules) in respect of the annual caps of the Cooperation Framework Agreement is higher than 0.1% and less than 5%, the Cooperation Framework Agreement is only subject to the reporting and announcement requirements but exempted from independent shareholders' approval.

In view of his interest in Xiaomi, Mr. Jun LEI has abstained from voting on the Board resolution approving the Cooperation Framework Agreement. Details of the Cooperation Framework Agreement will be included in the annual report and accounts of the Company in accordance with Rules 14A.45 and 14A.46 of the Listing Rules.
